

PRODUCT SPECIFICATION - APPLICATION & USE

PRODUCT NAME: **LOW FOAM CLEANER**

GENERAL DESCRIPTION: A colourless liquid detergent.

USE FOR WHICH PRODUCT IS INTENDED: A hard surface cleaner specifically designed for use in scrubbing machines or areas where foaming is undesirable. Ideal for use on concrete, linoleum, tiles or terrazzo.

SPECIAL EQUIPMENT REQUIRED: Scrubbing machine may be used. Sprayers may be used if required.

METHOD AND CONDITIONS OF USE: Chemaide LOW FOAM CLEANER should be diluted with 10 parts of water before use. Can be used in scrubbing machines, or applied by mop or spray. Easily rinsed with water. Can also be used neat as a spot cleaner on hard surfaces.

METHOD OF CONTROL: Concentration can be varied to produce cleaning and foaming to a desired level.
