

PRODUCT SPECIFICATION - APPLICATION & USE

PRODUCT NAME: **PHOS-EX**

GENERAL DESCRIPTION: Viscous yellow liquid

USE FOR WHICH PRODUCT IS INTENDED: An acidic toilet cleaner, descaler and sanitizer for use on stainless steel, chrome and copper.

SPECIAL EQUIPMENT REQUIRED: Supplied in an easy to use 1 litre bottle with flip-top cap for simple application.

METHOD AND CONDITIONS OF USE: Apply the product directly from the bottle using the flip-top dispenser to direct it onto the area required to be cleaned. Leave to react for several minutes and then wash away with water. PHOS-EX **should not** be used on cement surfaces or on certain types of plastic. **Do not** use on stove enamelled surfaces. **Do not** mix with bleaches, toilet blocks or other chemical cleaners.

METHOD OF CONTROL: Use sufficient to remove all dirt and scale.
