

DRAIN-RAIDER

FREE FLOWING CRYSTALS

Drain-Raider is part of our Drain Maintenance product family. No matter how routinely preventative measures are administered, blockages do occur and can prove to be a costly and time consuming inconvenience, often requiring the professional services of a plumber. Drain-Raider can quickly remove most unwanted obstructions without the need for manual intervention.

The convenient free flowing crystals are the perfect emergency solution for the rapid eradication of masses formed from a variety of substances. Drain-Raider effectively frees blocked drains, pipes and traps, tackling most organic materials.

- **An essential item to treat most blockages quickly and inexpensively**
- **The one stop answer to removing an extensive range of obstructions**
- **Conveniently packed in easy to handle 3kg tubs with measured scoop for accurate dosing**
