

Hand Wipes

Effective Hand Cleaning Wipes

Hand Wipes are part of our Skincare product range. Within manufacturing and industrial environments, not every dirty job can be performed in close proximity to a washroom. Hand Wipes provide a mobile solution to removing oil, grease, wet paint, soot and dirt.

The product contains natural oils which act a skin conditioner. Hand Wipes require no special dispenser as they are conveniently packed into a tub containing 150 large polycotton wipes. Their packaging makes Hand Wipes simple to use – just pull, wipe, and discard.

- A portable hand cleaning system with no need for water, soap or hand drying facilities
- Versatile cleaning action on oil, grease, wet paint, soot and dirt
- Pleasant to use wipes which contain natural skin conditioning oils
